INFORMATION DISCLOSURE STATEMENT

Sir:

This is an Information Disclosure Statement being submitted  
for a new patent application filed on March 5, 2002.<sup>1</sup>

Enclosed is a Form PTO-1449 and a copy of an English  
language document cited therein.

This Information Disclosure Statement is being submitted  
before the date of mailing of the first Official Action.

Therefore, the undersigned respectfully submits that no fee is  
due in accordance with 37 CFR §1.97(c).

<sup>1</sup> I hereby certify that this correspondence is being deposited with  
the United States Postal Service on the date shown below with sufficient postage  
as first class mail in an envelope addressed to the: Assistant Commissioner for  
Patents, Washington D.C. 20231.

  
Debra A. Pongetti

  
Date

While this Information Disclosure Statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any document referred to herein is "prior art" for this invention unless specifically designated as such.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined under 37 CFR 1.56(a) exists.

The Commissioner is hereby authorized to charge to deposit account 23-0442 any fee deficiency in order to submit this Information Disclosure Statement.

Respectfully submitted,

William J. Barber  
Attorney for the Applicants

English Language Abstract of  
Chinese Patent Application No. 1,296,353

The present invention relates to a kind of telephone capable of automatically-measuring and displaying temperature (including mobile telephone, cordless telephone and general phone). It integrates the temperature display and telephone. As soon as the mobile telephone is started or general telephone is called up, the temperature display can be started to detect temperature, after seconds the liquid crystal display can automatically display ambient temperature.
